The Premier MBA Training Institute in India

Welcome to NIBM - The Premier Online MBA Training Portal

NIBM GLOBAL boasts to be a premier online MBA Training portal delivering Business Administration Training courses in online mode, spread its avenues since long time abroad such as USA, UK, Africa, Oceania, Jamaica, and so on.

We have an awe-inspiring melange of accelerated programmes for curriculum, lucid for promoting close-work relations in the Professional scenario in Management studies. Admittedly, believing 'creativity and knowledge' pave way for vivid explorations, on learning with us, we offer surefootedness for the deserving candidates to attain an invincible winning edge to confront today's competitive world.

For both working professionals and students, we put forward an array of courses in Business Administration training, which will definitely provide a wide range of career-building, online programs in business management and the related areas. Anchoring exclusively on internet-based technologies and the latest advancements in order to tinker with instructional design, learning technologies and educational tools, our courses unobtrusively develop a strong, interesting, engaging and industrially target-oriented content base by a dedicated and multidisciplinary faculty with the highest level of expertise in leading business schools and industry.

About NIBM

NIBM GLOBAL is set up with an invincible goal to disseminate episteme with a universal approach. Ramifications of the areas handled have been ingeniously formulated by an outstanding team of experts hailing both from live industry and academics.

NIBM is an ISO 9001:2015 certified educational institution that has won accolades across the world among different business schools owing to its innovative and novel approach. That quality, syllabi and scientific methodology of instruction being the mainstay of our integrity, the studies of NIBM are widely appreciated and recognized by renowned trade and business communities.

It has an exemplary record of accomplishment of over two decade proudly presenting voluminous alumni who are down-to-earth working all over the globe in different scenarios of management.

Complimented by varied electives to choose from, these courses enable the students to formulate various strategies to tackle crises and manage their business with efficiency and effectiveness. In order to enhance the scope and prospects of their career, the modules offered are sure to help the students to acquaint themselves with contemporary inputs, if not low-level depictions of management principles.

Overall, our curriculum is a break from the past in taking a long-term view bent on converting a long-held passion for management into a lifetime profession. This however is successfully accomplished by practically implementing a praxis-heavy curriculum carefully integrated with theory and analysis within the classroom,

From the Director's Desk

NIBM GLOBAL is treading forward as custodian of innovative and globally acclaimed programs to mould generation after generation with novelty in techniques of management.

Correspondingly, undergoing training with NIBM will render self-help to the students to hone their skills that they simultaneously develop and conceptualise corporate ideas largely for the benefit of their organisation and society as well.

Director

Our Mission

- To develop management professionals through qualitative education, enabling them to meet the emerging challenges of the new business environment.
- To assist in career planning, development and advancing of one's Career.
- To disseminate information on the latest changes, trends, techniques and methodologies to practicing managers
- To keep pace with the dynamic environment of business.
- To introduce a highly rewarding and profitable field of business environment and of its management.

NIBM Credentials

ISO 9001:2015 Certification

ISO 9001:2015 was awarded after exhaustive inspection and audit of the quality and standard of all dimensions of its activities, especially methods adopted in teaching, procedures followed in admission and of course, conduct of examinations. Obviously, this international certification gives global acceptance to students of NIBM as well.

Quality Policy

NIBM aims at academic excellence in management education through continuous research and delivery of various studies providing efficient and excellent service to the students. We shall constantly strive to improve the academic processes by regular human resource training, student feedback and review of systems.
